Subject: UA Online Paid Internship/African-Centered Ed Certification

To Whom It May Concern,

Uhuru Academy Education Solutions, LLC. is currently accepting applicants for our 2022-2023 paid Online Instructor Intern position. The person filling this role will gain valuable training and experience facilitating and managing a live, interactive online classroom of no more than fifteen, 3rd thru 5th graders from throughout the continental United States and abroad. Selected applicants will also have the opportunity to be trained and certified in delivering African-centered, culturally relevant content to students of African descent.

This is a paid internship, with selected applicants earning a weekly stipend of up to \$200 throughout the duration of the 2022-2023 school year (excluding holidays). There will be a morning position (5 days/wk from 9am – 12pm EST), and an afternoon position (5 days/wk from 12pm – 4pm EST). Select applicants should expect to participate in a panel interview and professional orientation prior to starting work. For eligible applicants, this internship may count toward required work service hours.

We are asking university department heads, job search platforms, and community stakeholders to post this opportunity on their respective platforms. Please review the attached job description for more details. If there are any questions or concerns, feel free to contact our office via email at info@uhuruacademy.com. Thank you for your time!

Sincerely

Baba Amin Ojuok
